1. Introduction

RTI Online AP is a web-based portal developed to facilitate the filing and management of applications under the Right to Information (RTI) Act, 2005. The portal enables citizens to submit RTI requests under Section 6(1), file First Appeals under Section 19(1) , file Second Appeals under Section 19(3), track the status of their applications and appeals, make online payments where applicable, and download submitted documents. The portal is maintained by GAD-AR, Government of Andhra Pradesh, and developed by the National Informatics Centre (NIC), Andhra Pradesh State Centre, to provide a transparent, efficient, and citizen-friendly mechanism for accessing information from public authorities.

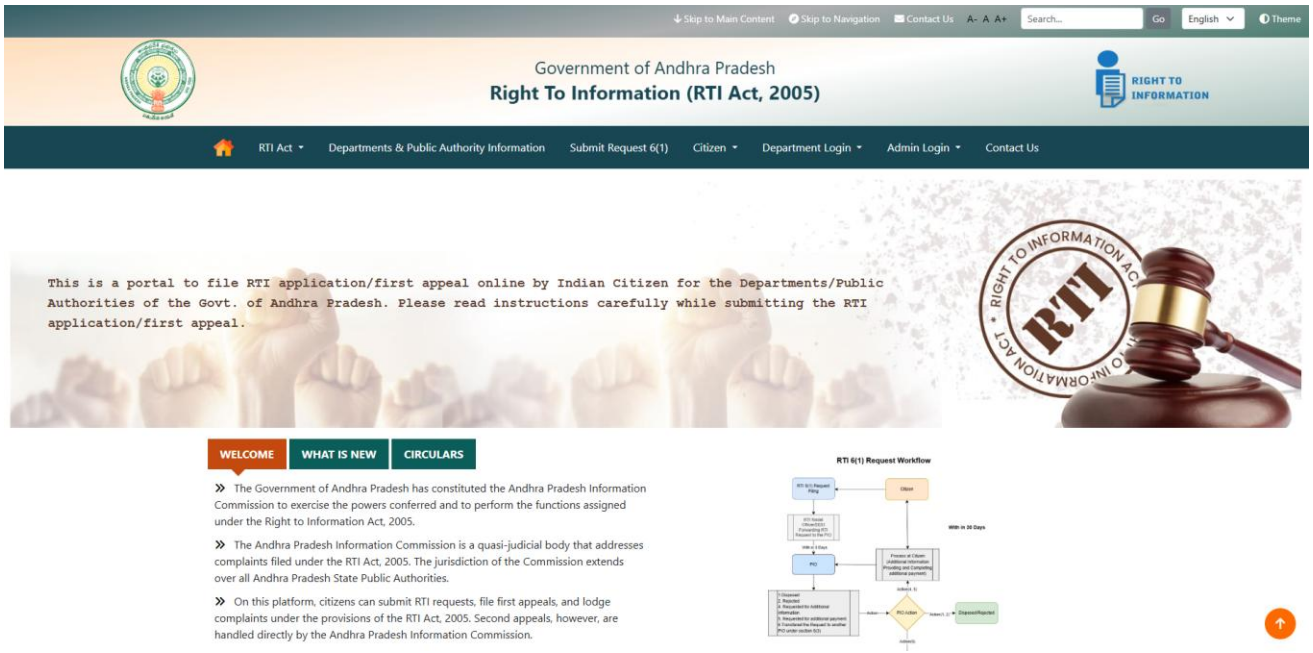

Figure 1: RTI AP Online Portal Home Page.

2. Citizen Registration

To access the Citizen Registration page, open the RTI Online AP Portal home page and navigate to **Citizen → Citizen Registration** from the top menu bar. The Citizen Registration page enables new users to create an account and access online RTI services, including filing RTI Requests, First Appeals, and Second Appeals.
