Cost of the infrastructure limited to 15% of the eligible fixed capital investment made in the industry. | | |
| | **Women Entrepreneurs**<br><br>(I) Women entrepreneurs mean those units established as sole Proprietress or invariably having 100% share in Partnership/Private Limited.<br><br>(II) 25% investment subsidy on fixed capital investment by women entrepreneurs, with a maximum limit per unit of _30 lakhs. | | |

| | | | |
|---|---|---|---|
| | (III) Seed capital assistance to First Generation Entrepreneurs @15% of the Machinery cost, which will be deducted from the eligible investment subsidy.<br><br>(IV) All other incentives as per Industrial Development Policy 2015-20. | | |
| | **Mega Projects**<br><br>Projects with an investment of at least 500 crore or direct employment generation of 2,000 will be accorded mega industry status. Further, for sectors such as textiles, food processing, biotech etc. definition of mega project may be different.<br><br>The Government will extend tailor-made benefits to mega projects to suit particular investment requirements on case to case basis based on the gestation period, pioneering nature, locational aspects, technology, project's importance to the state's industrial growth and its ability to generate large scale employment for people or revenues for the state. | | |
| | **Land**<br><br>The state of Andhra Pradesh has an identified land bank of 3 lakh acres and is further in the process of consolidating an additional industrial land bank of approximately 7 lakh acres. The consolidated land bank of 10 lakh acres would give the state a strategic edge in attracting investments. To achieve the same, government shall identify and acquire land through a transparent and farmer friendly land pooling/acquisition policy. This land will be administered within the following framework:<br><br>(I) Inventory of public/pooled/ acquired lands: All such lands shall be surveyed and the information made available in the public domain. It is envisaged that GIS will be used to create land inventory and update information of land parcels on real time basis<br><br>(II) Land Information System: Key details and parameters about land parcels (e.g. soil type, distance from sea-ports, airports, railway stations etc.) | | |

| | | | |
|---|---|---|---|
| | will be made available online.<br><br>(III) Land Pooling/Acquisition and Allotment<br><br>a. Land consolidation Consolidation of Industrial Land will be done by the Industries & Commerce Department following the state's land pooling/acquisition policy.<br><br>b. Land allotment Land shall be allotted on 99 years lease. SIPB may consider outright sale of land in the following cases:<br><br>i. the investment is exceeding Rs.100 Crores;<br>ii. the gestation period of the project is more than 5 years;<br>iii. the industry is located in backward areas to be notified by the Government, for this purpose;<br>iv. departments, PSUs and agencies of the Central Government;<br>v. financial closure of the project requires a sale;<br>vi. projects identified by the Government as critical and prestigious;<br>vii. other categories to be notified by the Government from time to time.<br><br>**Ease of Doing Business**<br><br>GoAP accords highest priority to improve 'Ease of Doing Business'. Timely clearances and responsive post investment facilitation services have been identified as the cornerstone for improving business environment and boosting investor confidence. To that end, the State shall provide both pre and post investment services to facilitate rapid industrialization.<br><br>GoAP will create an e-platform, for facilitating all necessary clearances for starting and operating an industry within 21 working days. This platform shall integrate requisite pre-establishment and pre-operation stage clearances provided by multiple agencies/departments with provision for online filing and tracking. | | |
