Farmer Registration for implement application - Screen

Applicants can select **either Telugu or English as their language.**

Farmer eligibility is verified **automatically** via real-time integration with ROR, GSWS, and e-Panta data.

Land-owning farmers, ROFR and CCRC holders, and **tenant farmers** who have cultivated in any three seasons **within the last three years** are also eligible.

The details of the availability of **Farmer IDs are** captured in this application.

Target entries at State Level for all 9 Categories

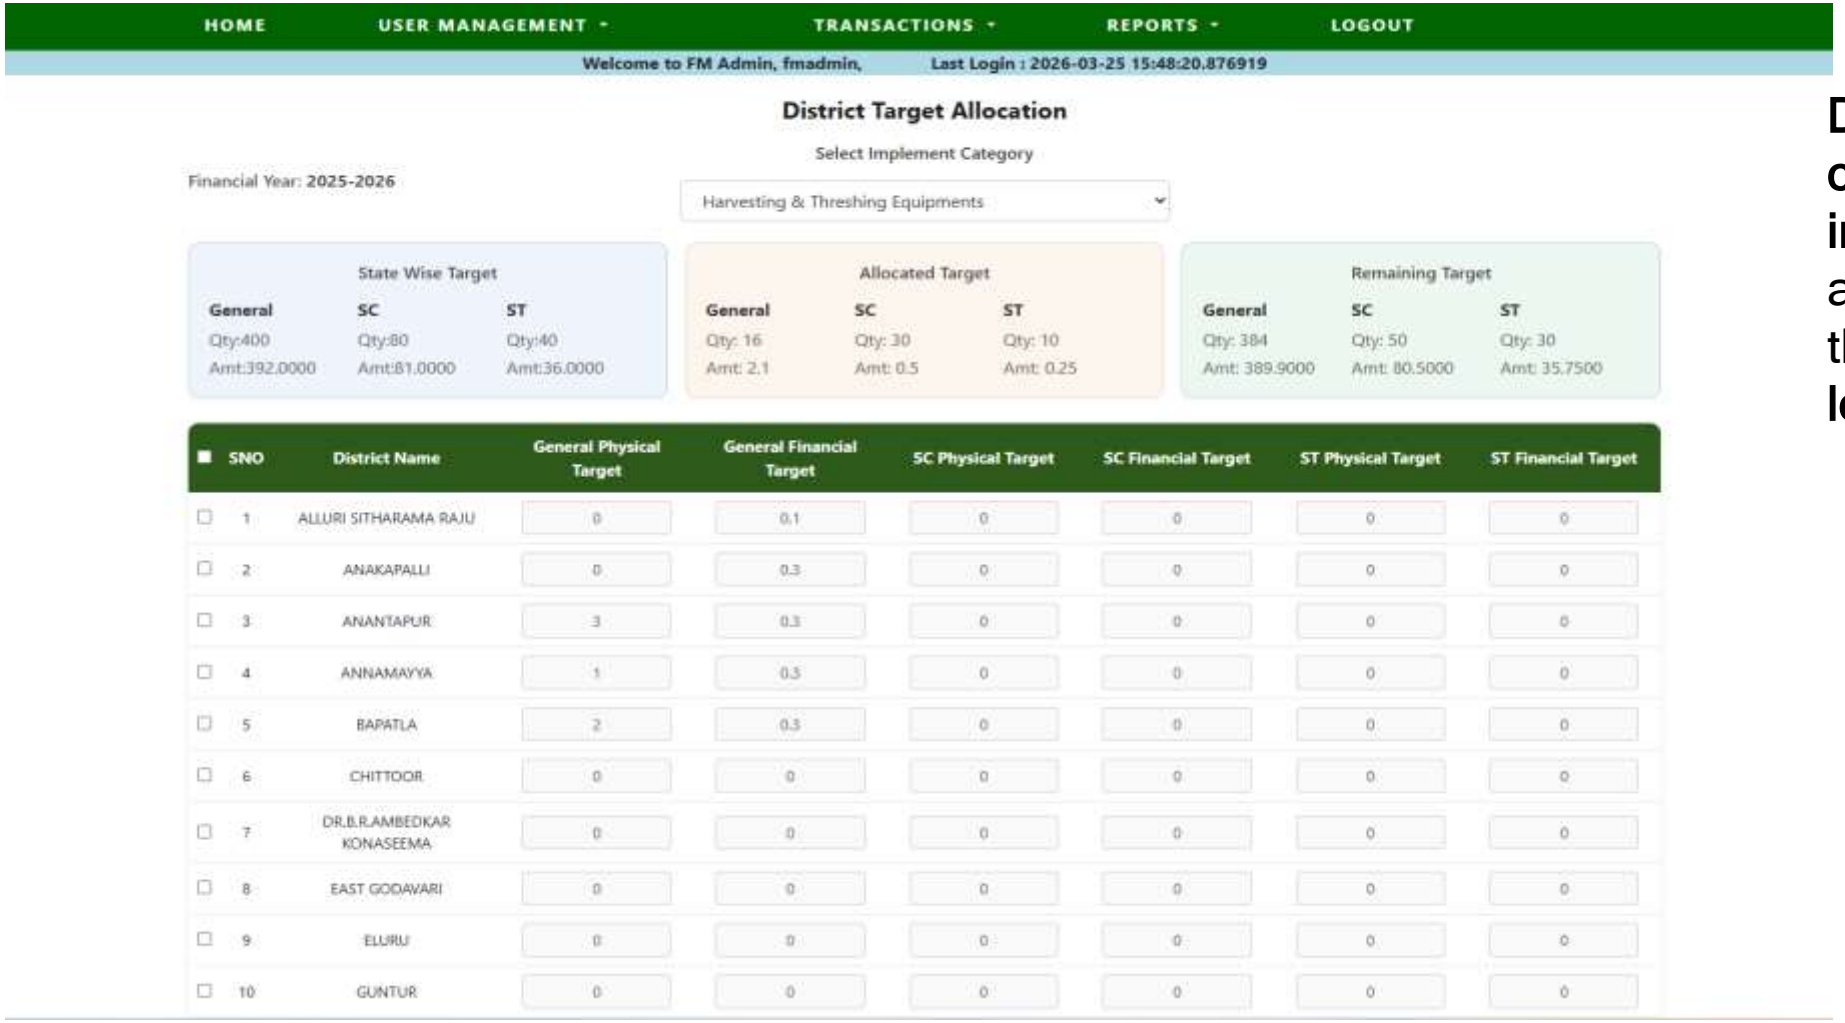

Financial Year	Implement Type	General Quantity	General Amount(₹RS in lakhs)	SC Quantity	SC Amount (₹RS in lakhs)	ST Quantity	ST Amount (₹RS in lakhs)
2025-2026	Harvesting & Threshing Equipments	4	0.3000	2	0.2000	2	0.2000

The approved allocation for **nine** categories communicated by the government has been entered.

Target entries for **nine category** groups are entered at **the state level**.

District Wise target allocation at State Level

District-wise,**social-category- wise**, and **nine implement-category-wise** allocations are entered by the **department** at the **state level**.

Financial allocations to districts are **determined** based on the **e-crop** booked area (**in acres**) during the **Kharif 2025 and Rabi 2025** seasons, **from** the **available state funds**.

Freeze and Unfreeze of Target

Targets entered at **the state level** are **frozen**, thereby allowing **district** users to enter targets **mandal-wise**.

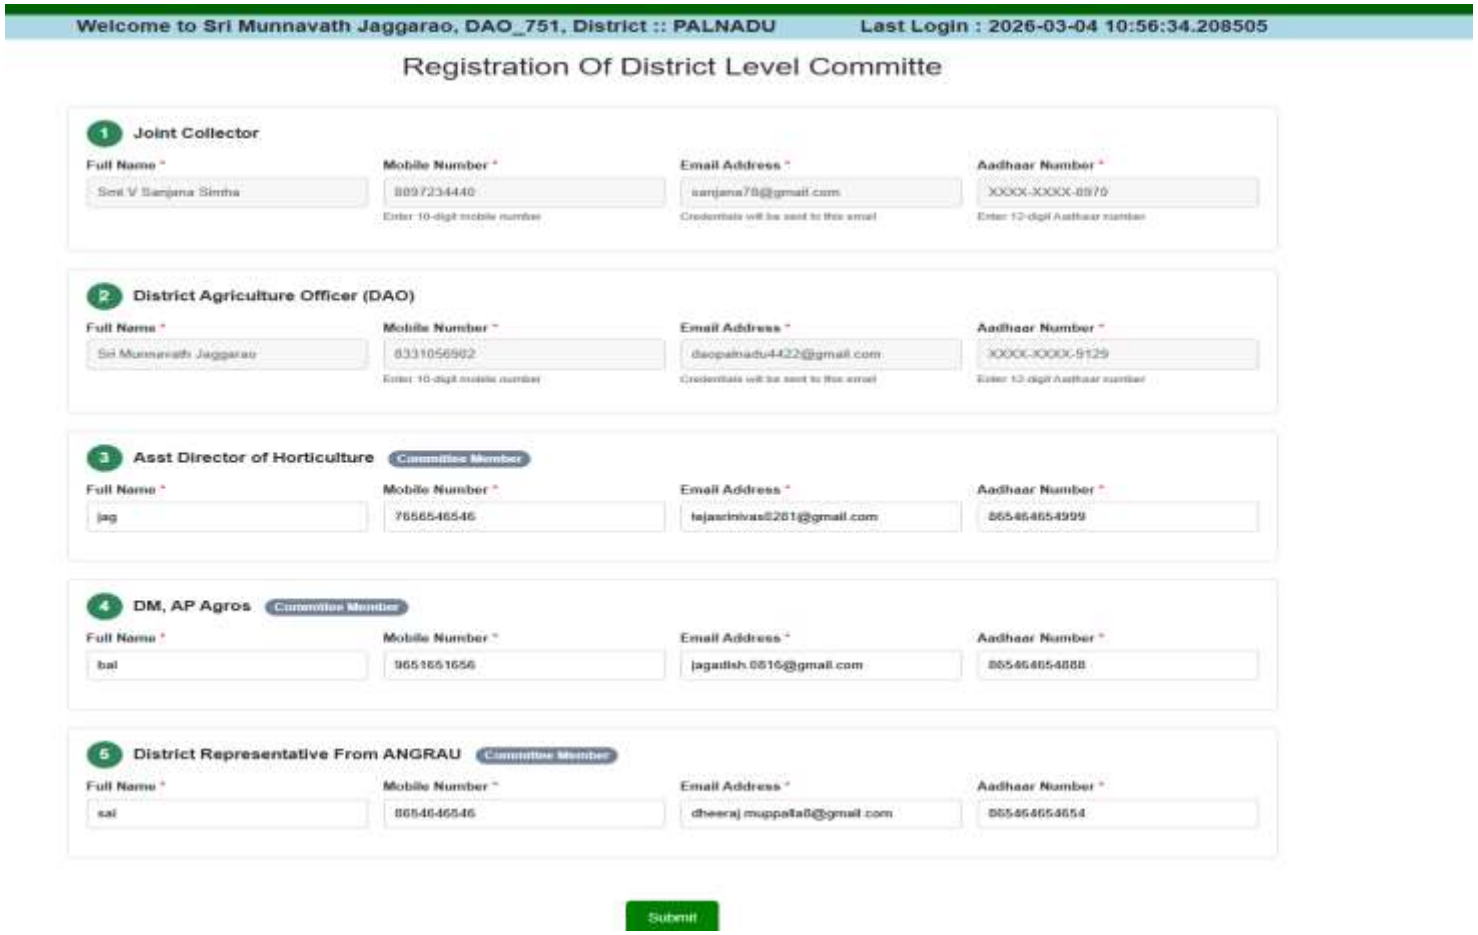

District - FM Scheme Monitoring Committee

District-wise committees are formed for **the finalization** of **mandal** targets, **category-wise**.

Interchange of targets **are** permitted by **the government** within the categories for **district** users.

Members of the committee

Joint Collector

District Agricultural Officer

Nominee of the Horticulture Department

Nominee of ARS/ANGRAU in the district

Nominee of APSAIDCL Ltd

Mandal-wise targets finalized by the committee are entered on the screen by broad implement category and social category.

The targets entered are **e-signed** by other committee members and finally by the **Joint Collector** in each district.

Targets will be **frozen automatically** once the **Joint Collector** e-signs the target entry screen using **Aadhaar-based OTP** mode.

E Sign Screen for Target Freezing by Committee Members in the District

Lottery Process in the district

The mandal target Screen will get freezed once Joint Collector finalizes the allocations to mandals online through e signature.

Farmers will be allowed to apply after freezing of targets for the required **implement** within **15 days** from a specific date. The application window ends at **midnight on the 15th day**.

A report on the number of applications received for each **targeted financial allocation** will be generated by the **NIC** at the district level. This report will be placed before the **Committee** for perusal and further directions.

DAOs are permitted to interchange funds based on the demand for **tractor-drawn implements** or other categories within the district's financial allocations, subject to permission from the **Director of Agriculture**.

In any **mandal** where the number of applications received is less than the financial allocation, the **District Monitoring Committee** can request an interchange of funds between categories for the district.

After obtaining permission from the **Director of Agriculture, at State level**, targets will be **unfrozen** to enable the districts to modify them.

The application list organized **category-wise** placed before the **District In-charge Minister** for final approval.

The finalized list will undergo a **lottery** for the final selection of beneficiaries for specific implements under specific categories, **mandal-wise**.

Delivery Process

The **selected beneficiaries** will receive **SMS notifications** after the lottery process.
Sanctioned **proceedings of the Joint Collector (JC)** will also be generated by the application and sent to the selected beneficiary.

The selected beneficiary must issue a **purchase order** to the dealer they selected during the application process. Payment to the selected dealer must be made through the **payment gateway** enabled in the application (via **UPI or net banking**) within **15 days** of receiving the proceedings from the Joint Collector.

The dealer shall supply the **2026 model** of the farm machinery or equipment to the **village level** with prior intimation and ensure it is **geo-referenced**. **Self-propelled machinery**, costing more than Rs 1 lakh such as tractors and power tillers etc.,, must be attached with a **telematics kit** for movement monitoring.

The **photograph(Farm equipment with beneficiary), invoice, and utilization certificate (UC)** must be uploaded by the **MAO** through the mobile application.

The **ADA** of the division will counter-sign the **UC** after physical verification of cases randomly picked by the application within the division.

The **DAO office** will compile the invoices received from the mandals and forward them to the **CDA office** to enable the release of the **subsidy payment** to the dealer.

The **CDA** will issue sanction orders, and funds shall be released to the **dealer's account** through **RTGS** from the **APSAIDCL Ltd** account.
