// FORWARDED :: BY ORDER //

SECTION OFFICER

Annexure to G.O.Rt.No. 288, A & C (Agri. III) Dept. Dated:15.03.2024

Standard Operating Procedure for Fertilizers Distribution through Dr YSR RBKs during 2024-25 by AP MARKFED

Andhra Pradesh Government has established 10778 RBKS (One Stop Centre for Farmers) across the state with an aim to provide services of Agri & Allied sectors from "Seed to Sale" village by ensuring the availability of pre-tested quality inputs & various other schemes & services. The Dr YSR RBKs are identified as brand neutral input store for all agri inputs.

Preparedness for Distribution of Fertilizers:

It is planned to distribute all grades of fertilizers through Dr YSR RBKs during the year 2024-25. The Commissioner of Agriculture shall assign district wise; grade wise fertilizer targets based on the consumption pattern of the districts during last three years. The DAOs shall prepare and communicate ADA division wise, mandal wise & RBK wise fertilizer targets for Kharif & Rabi seasons separately duly following the same analogy of previous year's consumption.

Commissioner of Agriculture, AP:

- The Commissioner of Agriculture shall assign district wise annual targets based on the consumption of last three years.
- The Commissioner of Agriculture will Coordinate with Department of Fertilizers, Govt. of India, manufacturing Companies and AP MARKFED in placement of rakes for supply of required fertilizers to the district rake points.
- The Commissioner of Agriculture will conduct regional level workshops well before commencement of season, to sensitize all the concerned field functionaries up to MAOs on fertilizer supplies through RBKs and usage of various software applications/portals etc., for better management of fertilizers.
- The Commissioner of Agriculture & AP MARKFED Head Office shall be in touch with the field functionaries to understand & resolve the issues related to the DBT application, CMAID App, sales and remittances of sale proceeds by VAA/VHA/VSA of RBK on real time basis.
- The Commissioner of Agriculture has to ensure supply of all fertilisers on FOL basis by all the fertiliser manufacturers / marketers, upto the destination of RBKs and PACS, to reduce the incidental charges on Government exchequer.
- The Commissioner of Agriculture shall ensure to extend price protection by all the fertiliser manufacturers to AP MARKFED for the stocks left unsold at RBKs / PACS and AP MARKFED buffer godowns, in case of downward price revision by the companies.

Manufacturing companies:

- Company heads at state level shall coordinate with Commissioner of Agriculture and intimate the stocks availability at different sources and tentative movement plan of every month well in advance.
- The company representatives must issue Release Order soon after accepting the Purchase Order raised by the AP MARKFED to enable them, in turn to raise the invoices to the RBKs.
- The representatives of Manufacturing companies shall inform the rake arrivals / quantities to be supplied to the districts as per supply plan well in advance to the rake officer concerned , DAOs and DMs of AP MARKFED.
- The companies shall arrange the supplies on FOL basis to the destinations.
- Manufacturers/marketers shall extend price protection on all the fertiliser grades to AP Markfed for the stocks left unsold on the date of price revision at RBKs / PACS and MARKFED buffer godowns., in case of downward price revision by the companies.

Rake Officers:

- Soon after receiving information from Companies/ Department, the rake officers shall intimate the probable date and quantities to be received to the concerned DAOs and get the approved distribution plan for the allotted quantities.
- On receipt of stocks at rake point, Rake in-charge Officer shall monitor the distribution as per the allotments issued by District Agricultural Officer with the approval of District Collector / District Joint Collector.
- Rake officer should submit detailed report of the total quantity handled at Rail Head and the deviations if any from the approved plan to be intimated to the concerned DAOs.

District Agricultural Officer (DAO):

- The DAOs should prepare and communicate the sub-division wise & product wise fertilizers targets to ADAs under copy to C&DA, AP, Guntur.
- The DAOs should mandatorily allot at least 50% of Urea to AP MARKFED on arrival to the district. For other fertilisers, viz; DAP, Complexes & MOP may allot 50% of stocks or as per the requirement of AP MARKFED.
- In exceptional cases to meet the demand of RBKs/PACS additional quantities may be allotted as per the requirement of AP MARKFED.
- Whenever the fertilizers requirement generated from RBKs, DAOs must give top- priority to supply the fertilizers to the RBKs through AP MARKFED.
- The DAOs shall continuously monitor the indents placed Vs Target & see the distribution shall happen as per plan.
- A Fertilizer monitoring cell should be formed at district level under the supervision of District Agriculture Officer for daily monitoring of fertilizer distribution at RBKs. The name and phone numbers of the officials deputed to

the monitoring cell has to be communicated to C&DA, AP, Guntur.

- The DAOs shall monitor the process of fertilizer distribution through RBKs randomly, to ensure that the supplies are made as per the requirement of the farmers.
- Besides the above, the DAOs shall also periodically monitor and check on the physical stock balances, collection of sale proceeds and their remittances to AP MARKFED and take appropriate action in case of any deviation.
- **If any Assistant Director of Agriculture reports about unauthorized/forcible lifting of Fertilizer stocks from RBK stock point without payment of amount, DAO shall immediately report such incidents to Joint Collector/ District Collector for initiating the recovery proceedings against such persons.**
- The DAOs are responsible for pre-testing of fertilizers to be supplied to RBKs by coordinating with DMs of AP MARKFED and concerned Quality Control Officers at supply source i.e., Rail heads, Ports, Warehouse godowns and manufacturing units.
- The DAO shall make arrangements to send advance alert signals up to Commissioner & Director of Agriculture/ MD-AP MARKFED in case of unauthorized lifting/ theft of the fertilizer stocks from RBKs within 24 hours.

AP MARKFED:

- The AP MARKFED shall procure and maintain buffer stocks of 1.50 LMTs viz..1.0 LMT of Urea, 0.20 LMT of DAP, 0.20 LMT of Complexes, 0.075 LMT of MOP and 0.025 LMT of SSP to avoid any hardship to the farmers in addition to the pre-positioned fertilizer quantities in RBKs and PACS.
- As the godowns attached to RBKs are the storage points in villages for AP MARKFED, these storage spaces must be utilized for pre-position of fertilizers to reduce the cost of storage space as well as cost of secondary transport by AP MARKFED.
- The District Managers of AP MARKFED, in coordination with DAOs should plan for preposition of required fertilizers at every RBK godowns to a minimum of 20 MTs (based on the expected cropped areas & season)
- To the extent possible, fertilizer must be transported directly from rail head / manufacture plant / port to the storage points of RBK, PACS by the AP MARKFED.
- AP MARKFED being the Nodal Agency for supply of fertilizers, it is essential to make necessary arrangements for making MOUs with Manufacturing companies of major grades fertilizers.
- AP MARKFED shall organize coordination meeting with all DMs along with DAOs in the presence of the Commissioner Agriculture once in season / Month to resolve the issues at field level.
- DMs of AP MARKFED shall coordinate regularly with the VAA/VHA/VSA of RBK and MAOs for collection of sale proceeds and their remittances to AP MARKFED to avoid any misappropriation of fund at RBK level.
- **If any VAA/VHA/VSA of RBK reports about unauthorized/forcible lifting of Fertilizer stocks from RBK stock point without payment of amount, DM, Markfed shall immediately report to Joint Collector/**

Collector/ Commissioner of Agriculture/ MD MARKFED for initiating the recovery proceedings.

- Accessibility of storage points in villages is different, which has got direct Impact on the expenditure of unloading. Hence, the AP MARKFED shall fix for the unloading charges for each RBK. Before commencement of the season, along with the MAOs, the DMs may be instructed to visit & assess accessibility of each RBK & fix the unloading charges.
- AP MARKFED should ensure that the fertilizer physical movement to RBKs should be carried out along with CMAID portal invoicing/DC irrespective of Company FOL or MARKFED FOL.

Assistant Director of Agriculture (ADA):

- The ADAs are the overall in charges for fixing the mandal wise targets before commencement of season and shall monitor the sales on weekly basis.
- The ADAs shall also monitor the availability of all grades of required fertilizers in the various RBKs of their jurisdiction and take necessary steps for positioning the stocks by coordinating with the DMs of AP MARKFED.
- The ADAs should conduct weekly meetings with all the concerned to review mandal wise performance and progress of fertilizer distribution i.e., requirement Vs indents; supply situation; sales, cash remittances; IFMS/CMAID balances vs physical balance. And resolve the problems raised by the VAA/ VHA/ VSA of RBK / MAOs for smooth & continuous supply of required fertilizers in all RBKs.
- Wherever any deviation in the physical stock balance is observed and if any case of delayed remittance/ misappropriation of funds at RBK level necessary action shall be initiated against VAA/ VHA/ VSA of RBK / MAO.
- **If any MAO reports about unauthorized/forcible lifting of Fertilizer stocks from RBK stock point without payment of amount, ADA shall immediately report such incidents to DAO who shall inturn inform the Joint Collector/ Collector/ Commissioner of Agriculture/ MD AP MARKFED.**

Mandal Agricultural Officer (MAO):

- The MAOs should re-allocate the grade wise mandal allocation among the RBKs in their jurisdiction duly considering the cropping pattern & potential of the village(s), well in advance before commencing of the season.
- All required grades of fertilizers as per the requirement of the farmers shall be made available in all RBKs of their jurisdiction on time, in coordination with the ADA ® concerned.
- The MAOs must continuously monitor the fertilizer requirement, indents, supplies and sales in all RBKs & see that there shall not be any adverse comments by farmers / local leaders and press on unavailability of fertilizers.
- The MAOs shall monitor fertilizer sale in CMAID app (markfer.ap.gov.in) and DBT application i.e, ePOS sales in IFMS (https://dbtfert.nic.in) in all RBKs of their jurisdiction & there shall not be any difference between the stock balance as per IFMS & on ground . In case of deviation in physical stock , necessary

action shall be initiated against the VAA/ VHA/ VSA of RBK.

- The MAOs should monitor the supply, storage, protection of stocks, sales, cash transactions made by the VAA/ VHA/ VSA of RBK and ensure that the amounts are remitted regularly to AP MARKFED. In case of any delay in remitting of sale proceeds to AP Markfed necessary action may be initiated against the concerned VAA/VHA/VSA of RBK and also bring such incident to the notice of ADA, DAO & The Joint Collector.
- **If any VAA/VHA/VSA of RBK reports about unauthorized/forcible lifting of Fertilizer stocks from RBK stock point without payment of amount, MAO shall immediately lodge a complaint with the local police station about such incidents for initiating action under IPC and inform MRO for initiating the recovery proceedings. He shall also inform to Joint Collector/ Collector/ Commissioner of Agriculture/ MD AP MARKFED.**
- The MAOs shall visit all RBKs in their jurisdiction at least once in a month, verify the requirement of the village Vs indents, stock arrivals, sales, cash remittances, stock balance in IFMS Vs physical stock on ground and submit a report to the higher authorities any deviation in physical stock/ stock condition / delayed remittances/ misappropriation of amount shall be reported to the higher authorities and action shall be initiated against the VAA/ VHA/ VSA of RBK concerned.
- The MAOs are equally responsible with VAA/ VHA/ VSA of RBK for smooth supply, storage, distribution of required fertilisers to farmers at RBKs and remittances of sale proceeds to AP MARKFED.

VAA/ VHA/ VSA of RBK:

- On receipt of grade wise annual targets from MAO, the VAA/ VHA/ VSA of RBK shall prepare grade wise, month wise strategy for achieving the targets assigned to the RBKs based on the cropping pattern, potential etc., & same shall be communicated back to the MAO.
- Fertilizer shall be indented through KIOSK / CMAID by the VAA/ VHA/ VSA of RBK after taking grade wise indents from farmers at RBKs.
- Fertilizers are stocked in good storage condition and should also ensure that the damaged fertilizer stocks shall not received by the VAA/ VHA/ VSA of RBK.
- Shall give awareness to the famers in the Village about the availability of various grades of fertilizers and their MRPs & update the stock & price board on daily basis.
- VAA/ VHA/ VSA of RBK should encourage digital payment for the fertilizers sold by them at RBKs. However, manual payment mode may also be made available to the farmers for limited period. The amounts collected from manual sale must be deposited in AP MARKFED account on regular basis with the help of B.Cs available in the villages.
- Only on receipt of the amount from the farmer either in cash or through any available UPI modes & after the completion of the recording the sale in both CMAID app (markfer.ap.gov.in) and DBT application i.e ePOS sales in IFMS (https://dbtfert.nic.in), the VAA/ VHA/ VSA of RBK shall deliver the fertilizer to the farmer.
- **If any person in the village lifts the Fertilizer stocks unauthorizedly**

/forcibly from RBK stock point without payment of amount, the VAA/ VHA/ VSA of RBK shall immediately report the matter to the MAO & DM, AP Markfed.

- As & when stocks are received, the VAA/ VHA/ VSA of RBK shall raise real time stock acknowledgement in IFMS & CMAID Portal without any delay.
- Whenever stocks are sold to the farmers, it should be updated in IFMS & CMAID on real time without any delay.
- Should ensure that the physical stock should be tallied with IFMS & CMAID stock.
- Shall maintain stock register and payments registers.
- It is the primary responsibility of the VAA/ VHA/ VSA of RBK and MAO to ensure the total liquidation of the stocks which were supplied against the indent placed by the VAA/ VHA/ VSA of RBK & MAO, as no fertilizer manufacturing company shall accept stock returns once invoice raised in GST & IFMS Portal. Hence, the VAA/ VHA/ VSA of RBK & MAO shall liquidate the stock with in the same season and avoid longer storage of stocks and consequent damages.
- The VAA/ VHA/ VSA of RBK shall liquidate the stocks on FIRST-IN and FIRST - OUT basis to avoid any damage to stocks and longer storage and rendering them unacceptable by farmers.
- Being an implementing Officer at RBK level, VAA/VHA/VSA of RBK is responsible for Physical stock, stock condition, regularization of sales and remittance to AP MARKFED and for any lapses in the Fertiliser Distribution process at village level.

Steps to be taken for safety & security of stocks:

- The VAA/ VHA/ VSA of RBK shall place the indents only for the fertiliser grade preferred by farmers.
- The stocks shall not be supplied to the farmers without raising sale invoice in CMAID and collecting the sale proceeds.
- Credit sale of fertilisers shall be strictly prohibited.
- **If any person in the village lifts the Fertilizer stocks unauthorizedly /forcibly from RBK stock point without payment of amount, the VAA/ VHA/ VSA of RBK shall immediately report the matter to the MAO & DM, AP Markfed. MAO shall immediately lodge a complaint with the local police station about such incidents for initiating action under IPC and inform MRO for initiating the recovery proceedings.**
- The MAO shall report such incidents immediately to the ADA & DAO and the DAO shall inturn immediately report to the Joint Collector to initiate suitable action.

Payment Process

- The Sale Proceeds of fertilisers at RBK should be promptly remitted to AP MARKFED bank account.
- **The cash mode payment presently available on sale of fertilisers shall be disabled gradually in CMAID and the payment for Fertilizers at RBKs shall be made 100 % UPI based. The AP MAKFED shall make**

available necessary software for facilitating the digital payments at RBKs.

- **The DAO & DM, Markfed shall regularly monitor the Sale proceed remittances with the ADAs and MAOs.**
- **The Joint Collector of the District shall fortnightly review on remittances of Fertilizers Sale proceeds.**
- District Collector shall review once in a month without fail.

MIS and Analytics to monitor Sale and Sale proceeds

- **AP MARKFED** will establish an analytics tool to assess the sales and collections RBK wise so that early intelligence is collected on gaps in sale proceeds. This data needs to be reviewed at Mandal level and district level by MAO and Joint Collector respectively.
- Based on the above analytics action need to be initiated for recovery using Mandal-level recovery teams constituted with MAO and Tahsildar.
- Fortnightly review of the same shall be done by Joint Collector & monthly review by the District Collector.
